KNIGHT'S NEWS

We have been very blessed this year to participate at LP Field working a concession stand. We have been fortunate to raise unexpected funds to assist the Council in its mission to support our Priests, Parish, School and Community. Several ideas have been proposed to support this mission. Council #4563 will be hosting a seventh and eighth grade dance before the school year is over. The Joe Call room is in need of refurbishment. This is the one part of our Parish aside from the Church which is in constant use. It will be repainted and new audio and visual equipment will be installed. Start up funds are needed to start a new Catholic radio station—stay tuned! Our Sister parish in Haiti will receive funds in order to support them. The house on Stonewall which is where the Knight's meet is in need of electrical improvements. We would like to thank everyone who assisted us this year at LP Field. We are hosting a lunch Sunday March 2nd beginning at noon.

Council 4563 is very pleased to announce our new insurance agent, Curt Simmons. John Quigley has stepped down to begin even another adventure. We wish John all the best and we will know Curt will pick up right where John left off. Please watch the bulletin for an upcoming presentation open to all regarding a brief history of the Knights of Columbus, what it is today and an overview of the insurance program.
