## Chicken Dinner – October 16<sup>th</sup>, 2018

### GRAND KNIGHT'S COLUMN

Dear Brothers,

I was reminded today that life is precious and material things can quickly come and go. A neighbor's home went up in flames and in 20 minutes all was lost. Being a Knight is an honor—our duty is to be of services to others. We band together to value human life and love one another as our Lord loved us. Jesus teaches us to be charitable, strong in faith, and committed to relationships based on His love.

Remain committed to our Lord by cherishing the people in our lives—for there is nothing more important!

Venerable Fr. Michael McGiveney...Pray for Us! Live Jesus in our Hearts...Forever!

**Dr. Peter Abegg,**  
Grand Knight

## KofC INSURANCE

### *Think You Are Too Old for Coverage? Maybe Not*

You are never too young or too old to consider purchasing life insurance. If you have a financial need for coverage, or will in the future, a permanent life insurance policy can be just the thing you need.

When you are young and presumably healthy, coverage will be very inexpensive when compared to purchasing the same policies when you are older.

If you've put off purchasing coverage, or you realize that you may need additional insurance, the Order may still be able to help you, even if other companies cannot. In fact, in 2012, the issue age of our permanent life insurance products was extended to age 80, and in 2014, the issue age of our term insurance was extended to age 70. Naturally, your health, and whether or not you smoke, will be taken into consideration, so underwriting standards for risk and age apply. But, the extensions are a great blessing for me – and it could be for you too. Now I can help members that I couldn't help before. Are you or one of your brother knights one of those members?

Whether you're 18 or 80, the Knights of Columbus has products that will work for you and your family. I look forward to discussing coverage with you.
